WOULD / WOULD NOT

(Please circle your response)

I like for my dancer to be released without an adult coming into the building. I understand by signing the line below that if something happened to my child(ren), Break - A - Leg, LLC d/b/a Center Stage Dance Academy, would not be responsible. This includes, but is not limited to, my child getting hit by a vehicle, not coming straight to my vehicle/home, being taken by another adult, etc. I understand that the safety and protection of my child will end once they step out of the building.

I have fully read this disclaimer and will take full responsibility if something was to happen to my child(ren).
